The **Twenty-first Amendment (Amendment XXI)** to the United States Constitution repealed the Eighteenth Amendment to the United States Constitution, which had mandated nationwide prohibition on alcohol. The Twenty-first Amendment was proposed by the 72nd Congress on February 20, 1933, and was ratified by the requisite number of states on December 5, 1933. It is unique among the twenty-seven amendments of the U.S. Constitution for being the only one to repeal a prior amendment, as well as being the only amendment to have been ratified by state ratifying conventions.

## COFFEE

We age our coffee in once used Bourbon barrels, to create a rich and robust style of coffee to pair with our spirits or enjoyed on their own. Aging coffee beans in charred Oak barrels gives the coffee caramelized and vanilla notes. We use ethically sourced coffee beans in collaboration with Rio Coco Beans.
